1. We have completed Forms 133 to report activity in funds received from other government agencies to the Bureau of the Budget. These report separately the No Year funds and the Year funds for the twelve month period ended 30 June 1961. The information reported has been assembled identically as prepared for the preceding twelve month period and sent to you as an experimental presentation on 10 March 1961. In the Form 133 for "Year Funds", we have treated the disbursement of [REDACTED] from ICA [REDACTED] for project [REDACTED] as an expenditure even though the item was not so recorded on 30 June 1961.

2. Also attached is a schedule of "Explanatory Notes and Reconciliations" to indicate the source of the data contained in the Forms 133. We will be glad to discuss these items with you at your convenience.
